HOT WATER IN THE CENTRE

The boiler that provides hot water for the Ladies and Gents toilets as well as the sink in the lounge has been repaired. The engineer said on checking the boiler that there is now a limited life expectancy for this boiler, hence the property stewards are now looking at a future replacement. Sorry for any inconvenience caused.

PASTORAL REVIEW

We have had some wonderful responses to the Pastoral Review - and in the process, uncovered aspects of caring stretching deep into the local community. Thank you all for your offers. The pastoral team is following up members who didn't respond and the box remains in the entrance today for any other replies. We will report to church council in March. Angela

The pastoral team will work with the responses at its meeting on Tuesday February 7th, at 7:30 p.m. in the choir room.

THANK YOU
